SPRINGDALE.

Items of Interest From That Locality Gathered By Our Staff Correspondent.

Mrs. A. Redmon of Orchard Farm was here Saturday.

Miss Hona Mae Coryell is visiting friends in Lewis county.

Ellsworth Henderson, Esq., of Poplar Flat was here Friday.

Dr. and Mrs. Gains of Orangeburg were calling on friends here Friday.

THE DAILY LEDGER is more than interesting since the spring poet broke loose.

A warm rain, which was badly needed, set in yesterday (Monday) morning.

William I. Vaughn and daughter, Mrs. E. Truitt, visited relatives near Dover last week.

Winter is past, spring work is in full blast, teams all busy and our pike is still unrepaid.

Mrs. J. McNutt and daughter of Lewis county are visiting the family of J. L. Cruey.

An occasional peach tree has some blooms. Apples and other fruits promise an abundant crop.

Wallace Moody of Maysville, at one time a resident of this vicinity, was here Sunday, the first time in twelve years.

Captain G. Watkins is confined to his bed with a severe attack of inflammatory rheumatism. Dr. Gains is the attending physician.

For the benefit of "A Trustee" in last week's Bulletin we suggest that sarcasm, to be effective, must be well handled. But then facts are stubborn things.

Mr. and Mrs. Ellsworth J. Truitt visited their relative, William Robb of Chalk Ridge, Lewis county, Sunday last. Mr. Robb is very low with consumption.

Mrs. Robert Hord and one of her little boys are not rallying from their severe attack of pneumonia. Their friends are alarmed at their serious condition.

Mrs. C. C. Degman, accompanied by her son, master Johnnie, returned Thursday from a few days visit with the family of R. C. Williams near Stone Lick.

Mrs. Brown, mother of Henry A. Brown, Pastor of Ebenezer Church, will occupy the house of John McCarahan near Cottageville. The household goods arrived here Monday.

A load of coal was delivered at the schoolhouse the day after the appearance of our item in THE LEDGER stating its serious need. Once before during the early weeks of our school the same thing occurred, i. e., coal gave out. It was mentioned in the items.

The next day "a Trustee" visited the school to find out the truth of the statement, in a few days coal was furnished. We thought it the business of Trustees to look after such things, and that the supply of fuel should equal the demand. Because the winter has been long and cold, and 162 bushels of coal having been used seems no reason why more should not be furnished if needed. As to the mutilation of the grove the Superintendent can see for himself when he visits the school.

FERN LEAF.

News Items From This Pleasant and Somewhat Poetical Portion of Our County.

Farmers report outworn very plentiful. Quarterly meeting at Hebron next Sunday.

Some of our farmers are through planting corn.

Tobacco plants are plentiful and growing fast. This neighborhood will plant a large crop.

Under the management of Mr. J. S. Asbury our Sunday-school is flourishing. Mr. Asbury is a good man in the right place.

We are very thankful for small favors, but would like if Mr. Baldwin would reduce toll on heavy travel. Maysville had better lend a helping hand, as her neighboring little city Augusta is offering great big inducements. We think Maysville needs a few speculators. You must buy the farmer's produce if you want to sell him goods.

Frank Brown and Bob Walton, both colored, living on the S. M. Worthington farm, became engaged in a quarrel Sunday morning. Brown emptied his shotgun at Walton, but missed his game. Brown went in the house and closed the door. Walton shot through the door, the ball entering Brown's left eye. Brown is in a critical condition, and they don't think he can live. Brown was drinking, and is considered very quarrelsome while under the influence of liquor.

Just received, a beautiful line of trimmed millinery. Mrs. L. V. Davis, Zweigart Block.

In the midst of life we are in debt. If you owe THE LEDGER anything we'll be pleased to trade our best autograph for cash.

Assignee's Sale.

A Honan's entire stock of Boots and Shoes to be sold at once. Good goods at a sacrifice. W. H. MEANS, Assignee.

May 1st will be celebrated as "Ragamuffin Day" at Georgetown.

Alice Nelson, colored, is charged with selling liquor without license at Washington, and the case will be heard before "Squire Bramel" this morning.

The Kentucky State Council of the Junior Order United American Mechanics will assemble in Oddfellows Hall, Covington, this morning, to remain in session several days.

A Sufferer Cured

"Every season, from the time I was two years old, I suffered dreadfully from erysipelas, which kept growing worse until my hands were almost useless. The bones softened so that they would bend, and several of my fingers are now crooked from this cause. On my hand I carry large scars, which, but for

AYER'S

Sarsaparilla, would be sores, provided I was alive and able to carry anything. Eight bottles of Ayer's Sarsaparilla cured me, so that I have had no return of the disease for more than twenty years. The first bottle seemed to reach the spot and a persistent use of it has perfected the cure."—O. C. DAVIS, Wautoma, Wis.

THE MAYSVILLE REPUBLICAN WEEKLY PUBLIC LEDGER.

Did you ever think that relatives or friends who have moved to distant places—gone West, perhaps, to grow up with the country—are always glad to hear from their "Old Kentucky Home"? And did it ever occur to you that a single copy of THE MAYSVILLE REPUBLICAN—the weekly edition of THE PUBLIC LEDGER—contains more home news than you could embrace in a hundred ordinary letters? And did it ever strike you that you can send the paper to your relatives and friends for a whole year at less cost than you can write a letter every week? Besides, don't you think a year's subscription to THE REPUBLICAN would be present highly appreciated by those at a distance? Suppose you try it and hear what they have to say on the subject.
